

# Our Curriculum Offer

## The Home of Learning

Our school is a community where everyone can grow as **collaborative** learners, **compassionate** individuals and **responsible** citizens in an environment of mutual **respect** and **excellence** for all.

In the words of our Young Leadership Team:

‘Green Lane is not just a school, it is a family; we are a community. Our teachers, parents and everyone work together to make the purposeful, safe place we all want to come to every day. We are provided with the best possible care and learning experiences. Everyone can find something to be good at to help them achieve their full potential. As a Talking School, it’s important that everyone’s voice is heard.’

## Curriculum Intent

Our curriculum is the way in which we achieve our values. It is informed by the needs of our pupils and current research into best practice. Our taught curriculum is:

- Oracy led and vocabulary rich
- Based on a mastery approach to learning
- Ambitious for, and inclusive of all learners
- Rich in high quality texts and purposeful reading experiences
- Designed to prepare pupils for life

In line with the core values, it aims to provide:

- A love of learning and happy memories
- Accumulation of core knowledge and an understanding of the world
- A core offer of essential experiences which enrich the curriculum
- A clear progression in skills and strategies within each subject
- Opportunities to revisit, revise and deepen thinking
- Engaging topics which allow children to synthesise knowledge and apply skills in real world situations
- Partnerships with our local families and communities
- An emotional and cultural connection through stories and the arts
- Strong teamwork skills
- An medium for children's creativity
- Challenges to meet and puzzles and problems to solve
