## **NO wider reopening date agreed yet**

Dear Parents/Carers

### **Coronavirus (COVID-19): school wider opening arrangements letter to parents**

Following the Government's announcement, I am writing to share with you the proposals for the wider reopening of Green Lane. Our priority is the safety of all staff, pupils and the families. These arrangements have been put into place in all the PAT schools acting on all the guidance available.

We are looking forward to seeing all our pupils once again, but I would like to reassure you that the safety of our school community is our priority. We will continue to review the arrangements and safety plans we have made and update you with any changes as soon as possible.

**On Friday 22 May 2020 Bradford Councillor Imran Khan (portfolio for education employment and skills) issued a statement expressing that "The council believes that the current advice and scientific evidence from public health means that not all of the five tests set out by government for reopening have currently been met in order for schools to go back on 1 June"**

Green Lane has been open all through the lockdown – we will continue to be open for **Critical/Key worker children and also some SEND and vulnerable groups.**

**There is NO agreed date for children in Y6, or other year groups to return to school. The conditions to open safely have not yet been met.**

We will keep you updated on the website and Weduc.

Please take care and stay safe.
