

Starting school is a very exciting time.

Before you come to school, you need to start practising these things.....

I can get undressed and dressed, ready for PE.

I can eat with a knife and fork.

I can go to the toilet by myself.

I can put my shoes on by myself.

(Velcro shoes are the easiest!)

I can put my coat on and take it off again.

I can use scissors, carefully.

I can hold a pencil.

I can write my name.

Give yourself a big tick when you can do these things!
