Let's read together!

This weeks book is Super Worm! Listen carefully to the story as some of the words sound the same. These words rhyme.

Can you see any worms in your garden or outside when you go for a walk?

Search for Green Lane Primary School Bradford on You Tube to hear Mrs Allinson reading the story.

Let's make.....

A lot of you love playing with the playdough in nursery. Here is a simple recipe that you could use to make your own playdough.

Ingredients

1 cup - Salt

2 cups - Plain Flour

4 table spoons – Cream of Tartar

2 table spoons – Cooking Oil

2 cups – Boiling Water

Food Colouring

Carefully, mix all the ingredients in a large bowl.

Grown ups – make sure you pour the boiling water into the bowl.

If you keep the playdough in an airtight container / plastic box with a lid, it should last for a couple of weeks!

What can you make with the playdough?

Everyday we talk about the day of the week and the weather, keep doing this everyday!

In Nursery, everyday we talk about what day it is.

Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, Sunday.

What day is it today?

What day was it yesterday? What day will it be tomorrow?

Everyday in Little Buds and Nursery, we talk about the weather.

Is it sunny?

Is it cloudy?

Is it raining?

Do you feel warm today?

Do you feel cold?

The children can use these pictures to help them describe the weather.

When we sit at the snack table, we count how many plates and cups we put out. We count the knives and forks and we make sure we say please and thank you.

At meal times you could ask your child to help you set the table.

How many plates do we need? How many bowls are on the table? Can you count the glasses?

Don't forget to say please and thank you!
