## Story Time

Our story for this pack is a counting story.

Can you help to count the dinosaurs?

Which numbers can you see in the book?

Search for Green Lane Primary School Bradford on You Tube to watch Mrs Allinson reading the story.

## Let's Talk!

It is important that we keep talking to our children.  
We have put this on previous packs, but it is so important that we stay in a routine and talk about these everyday things.

Everyday we talk about the day of the week and the weather, keep doing this everyday!

In Nursery, everyday we talk about what day it is.

Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, Sunday.

What day is it today?

What day was it yesterday? What day will it be tomorrow?

Everyday in Little Buds and Nursery, we talk about the weather.

Is it sunny?

Is it cloudy?

Is it raining?

Do you feel warm today?

Do you feel cold?

The children can use these pictures to help them describe the weather.

When we sit at the snack table, we count how many plates and cups we put out. We count the knives and forks and we make sure we say please and thank you.

At meal times you could ask your child to help you set the table.

How many plates do we need?

How many bowls are on the table?

Can you count the glasses?

Don't forget to say please and thank you!
