

Key Messages

Dear Parents and Carers,

I know that everyone working in school is feeling extremely proud of all our children and the way in which they have returned this week to school. They have shown compassion, resilience and bravery throughout the week and settled back into school life quickly. Seeing our children happy and excited to be back at school and enjoying the activities and learning opportunities has been heart-warming and there are some beautiful photographs to show this below.

Thank you to everyone for preparing your children in the best possible way and for all the hard work you have put into supporting them throughout the last few weeks and for your continued support going forward.

As always, any support you need please get in touch, we are here to offer practical advice or just a listening ear!

Stay safe and healthy everyone,
Green Lane Team

Wellbeing

Whilst at home, please take the time to look after your wellbeing. Here are some different things you could try as a family.

What have you done today to make you feel proud?

Talk to your family about what you have done today that has made you feel proud. What about this week? This month? Or even this year? Why not create some certificates to recognise these achievements? Have a listen to Kool and the Gang sing 'Celebrate'.

Keep on Running

Fancy a trip to find a bear without having to go out of the front door? Follow the link to take part in an action packed story-based workout designed specifically for children.

Search the Sky for Mars

Time for some family star gazing! In March you should be able to see Mars in the night sky. Check out Jodrell Banks' website for up-to-date information of things to look out for:

It's a Kind of Magic!

Roll up, roll up, it is time to challenge yourself to learn some magical and mischievous tricks. Here are some easy ones to get started.

Random Acts of Kindness

Did you know that being kind to someone not only makes the person you are being kind to feel good but also makes yourself feel good. It is the gift that keeps on giving, especially if the recipient isn't expecting it. Here are some ideas: <https://theimaginationtree.com/simple-acts-kindness-kids/>

Friday 26th March	School closes for the Easter holiday
April	
Monday 12th April	Return to school for the start of Spring 2 term.

Green Lane Bouncing Back

Here are some of the highlights we have had since the children have returned to school. We have already celebrated World Book Day and also Science Day and all the children have relished being back with their friends.

Here are a few of the highlights our classes this half term:

It was fantastic to welcome the children back to Green Lane on March 8th.

On Thursday 11th March, we celebrated World Book Day part 2. It was amazing to see the whole school celebrating a love of books and reading.

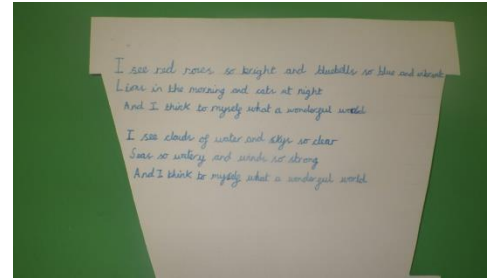

Yr3 looked at 'Here we Are' by Oliver Jeffers and were inspired to write poetry.

There were some great costumes from lots of different books. The children in Yr1 loved sharing 'The Day the Crayons Quit' with Mrs Townend. Here is 'Meg' and 'Winnie the Witch' in Nursery too!

Children made cards for 'Mother's Day' to help them celebrate the special day with their families.

Yr4 playing drama games as part of re-connecting with each other and Yr1 doing some collaborative exercise and play.

The children loved being scientists on science day. We were all curious and investigative learners and we appreciated the amazing things that science has contributed to our society.
