

RWI Phonics progression document

In Year 1, we ensure that children are taught and moved forward at their appropriate level therefore we carry out half termly assessments and teach children in small ability groups. We move the children on when they are ready. If the children require additional support we provide interventions which meet their individual needs. If children are excelling we will provide opportunities for them to deepen their phonic knowledge and challenge them further.

The progression grid sets out our age related expectations in Year 1 for each term.

	End of term one	End of term two	End of term three
Year 1	<p><u>Word Reading Expectation</u> <u>Review set 2 sounds</u> To be able to recognise and read without overt sounding and blending CVC, CVCC, CCVC,CVCC, CCVCC words containing the f set 1 Read CVC,CVCC,CCVC including the following graphemes: ay ee igh ow oo oo ar or air ir ou oy</p> <p><u>Book Reading Expectation</u> Read pink RWInc books contain set 1 sounds for fluency</p> <p>Phonics screening check at the end of Autumn 2</p>	<p><u>Word Reading Expectation</u> <u>Learn set 3 sounds</u> To be able to recognise and read without overt sounding and blending CVC, CVCC,CCVC,CVCC,CCVCC and multisyllabic words containing previously taught phonemes and start to read words containing the following graphemes: ea, oi, a-e, i-e, o-e, u-e, aw, e-e, au, ue, oe, are, ur, er, ow, ai, oa, ire, ear, ure, tion, tious</p> <p><u>Book Reading Expectation</u> Read Orange RWInc books containing set 2 sounds for fluency</p> <p>Phonics screening check at the end of Spring</p>	<p><u>Word Reading Expectation</u> <u>Review set 3 sounds</u> To be able to recognise and read with increasing fluency CVC,CVCC,CCVC,CVCC,CCVCC and Multisyllabic words containing previously taught and following graphemes: ea, oi, a-e, i-e, o-e, u-e, aw, e-e, au, ue, oe, are, ur, er, ow, ai, oa, ire, ear, ure, tion, tious</p> <p><u>Book Reading Expectation</u> Read yellow/blue RWInc books containing set 2 and set 3 sounds for fluency</p> <p>Phonics screening check to be conducted</p>
