Curriculum Drivers

The **GREEN** Curriculum – Curriculum Drivers

Our curriculum is underpinned by five key themes which we call our 'drivers'. These determine the direction and development of the work that we undertake in all areas of school life, ensuring that we offer a curriculum that meets our pupils' entitlement and is enriched and personalised in order to meet the interests and ambitions of our children.

Global Citizenship

identity, diversity, legacy, equality, heritage, collaboration, support, community, belonging, the right to shape the world, open-minded.

Resilience

Green Lane Learners, perseverance, strategies, social & emotional skills, peer – peer support, bespoke learning.

Expression
